

CROSS COUNTRY SKI SEMINAR

A SEMINAR FEATURE OF YOUR COUNCIL HIGH ADVENTURE FULL DIMENSION PROGRAM

If you are the kind of hiker who would like to take extended trips during winter months, you should try cross country skiing. Enjoy the challenge of high country winter travel with confidence in your first hand knowledge of safety and cross country ski techniques. It will allow you to expand your "places to go" during the snow season.

The program begins with an indoor workshop at 7:30 pm on Monday 11 January 2010 at the Cabrillo Scout Center in San Pedro. The program will include demonstrations and discussions covering the special equipment and gear needed.

The second part of the program will be a day outing in the local mountains on Sunday, 16 January 2010. For this outing, Unit Leaders may bring their Scouts for a day of instruction by the Mt Pinos Ski Patrol. Those who missed their outings from previous years should contact the Camping Department for information. (213 413 4400 X344)
